AN IMPRESSIVE BRASS AND STEEL NEO-CLASSICAL FIREGRATE

A large and impressive brass and steel firebasket in the Georgian style. The gunmetal legs with engraving throughout, featuring Athenian leaf and drapery, surmounted by engraved urn finials. The pierced brass fret with foliage, dragons and urn to centre, with beading above and below. The shaped burning area with bowed front bars and wrought iron scroll work. Cast iron back behind. An unusual mix of brass and gunmetal.
